Testimonials from Forte's previous venues

We recently held my Mother's wake at the Club and words can't express how grateful I am to the team at FORTE for their caring approach and professionalism; standard of service; high quality of food and drinks; and for the general high standard of the venue. My Mother would have been so proud.

Christopher (Google review)

We used Forte to hold a wake for our Uncle's funeral. The problem with wakes is that you are never sure how many people are going to show up. Luckily the venue has processes in place, to handle this contingency with their food packages. The food offered as part of the package is of high quality & bar prices are reasonable. The event manager was very helpful in getting the event organized. So highly recommended.

Michael

The service afforded to us and our guests was outstanding and I had quite a number of people who complimented the quality of the food, which was well served and nicely presented.

All in all our experience was above expectations and although the reason behind our function was the sad farewell of my recently passed mother, all the staff at FORTE treated our guests and the occasion with a superb degree of respect.

It concluded our sad day in a wonderful manner. Thank you so much to everybody involved.

Phil

I just wanted to thank you and the team for helping create a lovely event on Wednesday. Everyone was supportive and helpful and the feedback was very positive.
